Come quickly, Big Sis.
step
step
step
Wait a minute!
We're showing you around because Boss ordered us to.
EVEN THOUGH THIS IS A PLACE I HAD VISITED SO MANY TIMES,
IN THE COUNTRY OF DIAMONDS, NO ONE IN THE HATTER MANSION KNEW ME.
THE TWINS WEREN'T AN EXCEPTION TO THAT EITHER.
You're too fast! I can't catch up.

THEY AREN'T BEING MINDFUL OF ME AT ALL.
!?
GLARE
Right now I'm under the suspicion of being a spy.
THERE ISN'T A SINGLE PERSON
WHO REMEMBERS ME.
...!

Dee!
Dum!
Wait!
What are you doing, Big Sis?

If you don't catch up quickly, we're gonna leave you behind, ya know?
...
Or would you prefer being killed by us?
Dee!
Dum!

twitch
A dream?
...
SLAM
Ah, we're so tired.
!
Huh? Was my bed this wide?

Sheesh, we get no respect around here even though we work so hard!
Boo!
Seriously, that stupid rabbit is a total jerk! And here we were working so seriously!
Ah! You're awake, Big Sis?
Thank goodness. You didn't wake up even after the time period changed, so we were worried that you were too tired.
step
step
Dee... Dum?
Why are you guys here?
What's the matter, Big Sis?
She must still be half-asleep, Brother.

We all live together in this room, right?
Ah, yeah.
That is why Blood gave us this big bed as a present.
Are you okay, Big Sis? Do you feel sick?
I'm fine. I just felt a little insecure after a bad dream.
You should take some more rest. Here, lie down.
I'm fine, really.
A small fragment of those complicated feelings still linger inside of me.
Big Sis.

kiss
kiss
suck
We don't know what Big Sis felt insecure about,
But we promise that we'll always be with you.
When you say always... do you really mean it?
STOP IT, ALICE. MAKING THEM SAY IT NOW WON'T CHANGE THE FUTURE.
STILL...

We'll never give you up to anyone.
BECAUSE I CAME TO LOVE THEM AGAIN.
That's right. Big Sis is ours.
...Stay with me always, okay?
I PRAY.
If you feel insecure, just remember
That we love you.

Sure! That goes without saying~!
Yup! Always together~
SNUGGLE
Okay... ~wait!
You guys... you had it all planned.
Blussshhh
Go to work without any worries~
We'll wait for your return.
It's Fine~
If you leave such marks on me I'll be in trouble when it's time to work!
The marks are obvious on such white skin!
Don't you always wear an armband, Big Sis?
Use it to hide them!

Oh? Did you get injured?
Some-thing like that.
I don't have an armband for my right hand!!
Don't tell me they marked this too!?
BUMPED INTO HIM IN THE CORRIDOR.

Thank you very much for inviting
me to contribute in this anthology.
I enjoyed drawing this story a lot.
